

**Research Specialist position in the Laboratory of RNA Biology – ERA Chairs Group
(role in Research Task: Technical Support)**

The **Laboratory of RNA Biology – ERA Chairs Group** <https://bit.ly/3F3BPsg> at the International Institute of Molecular and Cell Biology in Warsaw (IIMCB) headed by Prof. Andrzej Dziembowski, is inviting applications for a **Research Specialist**.

You will join the Team of the Research Task entitled “Horizon for Excellence in messenger RNA applications in immunoOncology” (WIB-1/2020-O11) financed by the Virtual Research Institute (WIB) from the Polish Science Fund. The primary objective of this Research Team is to develop highly effective therapeutic mRNAs. To learn from the existing mRNA vaccines (Krawczyk et al Nature 2025 <https://www.nature.com/articles/s41586-025-08842-1>) to construct better ones!

The Research Task will be carried out by a team of scientists from the IIMCB (coordinator), the University of Warsaw, the Institute of Physical Chemistry of the Polish Academy of Sciences and the Medical University of Warsaw.

As a Research Specialist, you will be responsible for preparing libraries for sequencing. Role in Research Task: Technical Support.

Requirements for the candidate:

1. Holds at least Master's degree in biological or related sciences.
2. Experience in performing transcriptomics experiments including Nanopore sequencing.
3. Has the ability to communicate (in English) complex information clearly, orally and in writing.
4. Commitment, reliability, accuracy and timeliness in the implementation of tasks.
5. Has analytical and forward-thinking skills.
6. Has to comply with the non-compete policy in accordance with the WIB Program guidelines.

Selection criteria:

1. Experience in laboratory work, in particular of the techniques used in the project.
2. Precision and accuracy in laboratory work as well as in tasks related to documentation of experiments and administrative aspects of conducting research.
3. Ability to work independently and in a team, willingness to learn new things and take on challenges; analytical thinking.

Candidates will be selected in an open competition, according to the procedure complying with the rules of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers as a part of HR Excellence in Research strategy <https://bit.ly/3fNRBN8>

We offer:

1. Full employment contract initially for 12 months with a possible extension (if an extension is granted).
2. Salary between 6000-8000 PLN gross depending on experience.
3. Benefits including reduced-rate for an individual private medical care package and membership in the MultiSport programme.
4. Full technical, administrative and organizational support from professional English-speaking personnel.
5. Participation in courses, scientific trainings and support from peers.

Deadline for applications is **July 20th, 2025**. Job starting date is **August 15th, 2025** or later.

How to apply:

1. **Apply now** via: [e-recruiter](#)
2. Your application must be submitted in English and should contain a CV, a motivation letter with description of your key achievements, and contact details (e-mail and telephone number) of least two potential referees, including one of your direct supervisors.
3. Please include the following statement in your CV: *"I hereby agree to the processing of my personal data, included in the application documents by the International Institute of Molecular and Cell Biology in Warsaw, 4 Księcia Trojdena Street, 02-109 Warsaw, for the purpose of carrying out the current recruitment process."* Your personal data will be processed for the purpose of the recruitment procedure by the International Institute of Molecular and Cell Biology in Warsaw. Full information is available under the link <https://bit.ly/3UFWpY2>
4. Procedure for whistleblowing, follow-up and whistleblower protection: <https://shorturl.at/u2mww>.

The competition may be extended until a suitable candidate who fulfils all requirements is found.
