

Postdoctoral Researcher position in the Laboratory of RNA Biology – ERA Chairs Group (role in Research Task: Junior Researcher)

The **Laboratory of RNA Biology – ERA Chairs Group** <https://bit.ly/3F3BPsg> at the International Institute of Molecular and Cell Biology in Warsaw (IIMCB) headed by Prof. Andrzej Dziembowski, is inviting applications for a **Postdoctoral Researcher**.

You will join the Team of the Research Task entitled “Horizon for Excellence in messenger RNA applications in immunoOncology” (WIB-1/2020-O11) financed by the Virtual Research Institute (WIB) from the Polish Science Fund. The primary objective of this Research Team is to develop highly effective therapeutic mRNAs. To learn from the existing mRNA vaccines (Krawczyk et al Nature 2025 <https://www.nature.com/articles/s41586-025-08842-1>) to construct better ones!

The Research Task will be carried out by a team of scientists from the IIMCB (coordinator), the University of Warsaw, the Institute of Physical Chemistry of the Polish Academy of Sciences and the Medical University of Warsaw.

As a Postdoctoral Researcher, you will be responsible for design of different versions of poly(A) tails and study their properties in cells. Role in the Research Task: Junior Researcher.

Requirements for the candidate:

1. Holds PhD (or will defend before the start date of employment) in biological and chemical sciences or related fields.
2. Has thorough knowledge and documented laboratory experience in working with nucleic acids and in primary cell culture.
3. Has experience in direct RNA sequencing.
4. Has the ability to communicate (in English) complex information clearly, orally and in writing.
5. Has good presentation skills (ideally having presented during at least one international conference).
6. Has published at least one publication as the first author in an international peer-reviewed journal.
7. Has to comply with the non-compete policy in accordance with the WIB Program guidelines.

Selection criteria:

1. Technical competence, experience and fit of the expertise to the position.
2. Scientific achievements - publications, awards, grants, etc.
3. Soft skills – communication skills, teamwork, likelihood to fit to the group, compatibility of plans for individual development with the goals of the group.

Candidates will be selected in an open competition, according to the procedure complying with the rules of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers as a part of HR Excellence in Research strategy <https://bit.ly/3fNRBN8>.

We offer:

1. Full employment contract initially for 12 months with a possible extension (if an extension is granted).
2. Competitive salary.
3. Position with 100% focus on research (no teaching obligations).
4. Benefits including reduced-rate for an individual private medical care package and membership in the MultiSport programme.
5. Full technical, administrative and organizational support from professional English-speaking personnel.
6. Participation in courses, scientific training, support from peers, and academic mentoring.

Deadline for applications is **September 29th, 2025**. Job starting date is **November 1st, 2025** or later.

How to apply:

1. **Apply** **now** **via** **system:**
<https://system.erecruiter.pl/FormTemplates/RecruitmentForm.aspx?WebID=836e0744810e41f19a36010904f7700b>
2. Your application must be submitted in English and should contain a CV including a full list of publications, a motivation letter with description of your key achievements, and contact details (e-mail and telephone number) of least two potential referees, including one of your direct supervisor.
3. Please include the following statement in your CV: *"I hereby agree to the processing of my personal data, included in the application documents by the International Institute of Molecular and Cell Biology in Warsaw, 4 Księcia Trojdena Street, 02-109 Warsaw, for the purpose of carrying out the current recruitment process."* Your personal data will be processed for the purpose of the recruitment procedure by the International Institute of Molecular and Cell Biology in Warsaw. Full information is available under the link <https://bit.ly/3UFWpY2>.
4. Procedure for whistleblowing, follow-up and whistleblower protection: <https://shorturl.at/u2mww>.

The competition may be extended until a suitable candidate who fulfils all requirements is found.
