6 - Postdoctoral Researcher position in the Department of Immunology

Department of Immunology at the Medical University of Warsaw headed by Prof. Jakub Golab is inviting applications for a **Postdoctoral Researcher (full time)**.

You will join a project entitled “Horizon for Excellence in messenger RNA applications in immunoOncology” (WIB-1/2020-O11) operated within the Virtual Research Institute (WIB) Program managed by the Łukasiewicz Research Network – PORT Polish Center for Technology Development and financed from the Polish Science Fund. The primary objective of this project is to develop a highly effective therapeutic mRNA design and apply it for cancer immunotherapy. The project will be carried out by a team of scientists from the IIMCB (coordinator), the University of Warsaw, the Institute of Physical Chemistry of the Polish Academy of Sciences and the Medical University of Warsaw.

As a Postdoctoral Researcher you will be responsible for evaluating antitumor effects of mRNA-based immunotherapeutic approaches.

Requirements for the candidate:

1. Holds PhD (or will defend before the start date of employment) in biological sciences or related fields
2. Has excellent knowledge of molecular biology techniques, including the design and optimization of DNA vectors that serve as templates for mRNA synthesis, performing mRNA synthesis reactions (in vitro transcription), mRNA purification, testing its quality and the ability to produce mRNA-lipid complexes (formation of lipid nanoparticles [LNPs]) and their quality control.
3. Has excellent interpersonal skills, initiative and ability to work independently and in a high-performance team
4. Has the ability to draft (in English) scientific papers for academic journals
5. Has the ability to communicate (in English) complex information clearly, orally and in writing
6. Has good presentation skills (ideally having presented during at least one international conference)
7. Has published at least one publication as the first author in an international peer-reviewed research journal
8. Has to comply with the non-compete policy in accordance with the WIB Program guidelines

Selection criteria

1. Scientific track record
2. Evidence of esteem
3. Suitability for the project
4. Motivation letter

6. Interview

Candidates will be selected in an open competition, according to the procedure complying with the rules of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

We offer:

1. A full-time employment contract valid until 31 January 2027, or longer (in the event that the Research Task is extended).
2. Competitive remuneration.
3. A research-focused position (no teaching obligations).
4. Comprehensive technical, administrative, and organizational support provided by professional staff.
5. Opportunities to participate in courses, conferences, and scientific trainings, along with substantive support from colleagues.

Deadline for applications is **March 16, 2026**. Job starting date is **April 1, 2026** or later.

How to apply:

1. **Apply now** to immunologia@wum.edu.pl
2. In the subject include "**Postdoc WIB-6**" and your first and last name
3. Your application must be submitted in English and should contain a CV including a full list of publications, a motivation letter with description of your key achievements, and contact details (e-mail and telephone number) of least two potential referees, including one of your direct supervisor.
4. Please include the following statement in your CV: *"I hereby agree to the processing of my personal data, included in the application documents by the Medical University of Warsaw, for the purpose of carrying out the current recruitment process."* Your personal data will be processed for the purpose of the recruitment procedure only

The competition may be extended until a suitable candidate who fulfils all requirements is found.

The announcement will be published on the following websites:
