We offer:

- Full time position for 12 to 18 Months, possible extension depending on performance and fund availability.
- Competitive salary : 7000-7800 PLN gross/month (for comparison, the Polish minimum salary is ca. 4.800 PLN gross/month and the Polish academic full professor average salary is 9.400 PLN gross/month),
- Medical care and social benefits.
- Participation in scientific meetings

The Project is very innovative and aims at exploring cancer -immune cells interactions and exploiting specific interactions for therapeutic purpose. You will have the chance to innovate through discovering new regulators and developing alternative approaches to restore anti-tumor function of immune cells. If you are creative, curious, hard-working and you wish to make a difference, this is the project for you!

How to apply:

Applications, written in English, should be sent by 30/04/2026, 23:59 to: azerrouqi@wum.edu.pl or beata.pyrzynska@wum.edu.pl and with "**POSTDOC**" as email-subject, and should include the following statement in your CV:

"I hereby agree to the processing of my personal data, included in the application documents by the Medical University of Warsaw, Warsaw, for the purpose of carrying out the current recruitment process."

- (1) Motivation letter,
- (2) CV

- (3) List of publications
- (4) Contact info of at least two references.

The applications will be reviewed promptly upon receipt. The competition may be extended until the requirements in the candidate are met.

For your information

Rules for the protection of personal data used by the Medical University of Warsaw:

1. The administrator of personal data is the Medical University of Warsaw located in Warsaw, Żwirki i Wigury 61, 02-091 Warszawa, Contact to the Data Protection Officer - email address: iod@wum.edu.pl.
2. Personal data will be processed in order to implement the recruitment process pursuant to art. 22¹ of the Labor Code, and in the case of providing a broader scope of data pursuant to art. 6 § 1a GDPR - consent expressed by the candidate.
3. Access to personal data within the University's organizational structure shall only have employees authorized by the Administrator in the necessary scope.
