## Scholars/Research Assistants (3 positions)

We invite applications for research assistant position in the field of cancer immunity and therapy. The position will provide the opportunity to participate in a cutting-edge research project funded by the National Science Centre (NCN, Poland).

We are seeking open-minded, independent, and highly motivated candidates with hands-on experience. The admission procedure will be carried out in two steps, based on application documents and further interviews with selected candidates. During the interview, candidates will be scored based on the project competency, methodological experience, and communication skills, in accordance with the NCN rules. Please be aware that only selected candidates will be contacted.

### We offer:

Full-time research opportunity to work on a health-relevant scientific problem using a broad range of molecular and cell biology, genetics, proteomics, biochemistry, and a stimulating multi-disciplinary research environment.

Proposed starting date: **June 1<sup>st</sup>, 2026** (for candidates who are already Ph.D. students) or **October 1<sup>st</sup>, 2026** (for candidates who have been just admitted to the Ph.D. School); fellowship **initially for 6 months**, with further extension until the date of project ending December, 2027). Salary PLN 1600 gross per month.

### Qualifications:

The candidate should:

- be a Master's student or a second-cycle student in biology or related disciplines;
- be willing to work on the project for an average of 16 hours per week;

ul. Banacha 1  
02-097 Warszawa

tel.: +48 22 57 20 693; 57 20 639  
fax: + 48 22 57 20 679  
[biochemia@wum.edu.pl](mailto:biochemia@wum.edu.pl)

- demonstrate **sufficient knowledge of cell culture, working in an aseptic environment**, and have the ability to prepare solutions;
- demonstrate very good work organization,
- proficient in the English language.

#### **Duties and responsibilities:**

- Bringing Samples and isolating cells for culture
- apply a broad range of methods to pursue research objectives
- perform tasks related to laboratory operations

#### **How to apply:**

Please submit your application to the Project Leader, dr. Abdessamad Zerrouqi, e-mail: [azerrouqi@wum.edu.pl](mailto:azerrouqi@wum.edu.pl) or dr Beata Pyrzynska [beata.pyrzynska@wum.edu.pl](mailto:beata.pyrzynska@wum.edu.pl)

- CV including candidate's scientific degree, short description of methodologies and research activities
- copy of diploma,
- contact details of supervisors,
- to allow the processing of their application, the candidate should include in their CV: *"I hereby authorize you to process my personal data included in my job application for the purpose of the recruitment process (in accordance with the Act of May 10, 2018 on the protection of personal data, Journal of Laws of 2018, item 1000)"*.

#### **Rules for the protection of personal data used by the Medical University of Warsaw:**

1. The administrator of personal data is the Medical University of Warsaw located in Warsaw, Żwirki i Wigury 61, 02-091 Warszawa, Contact to the Data Protection Officer - email address: [iod@wum.edu.pl](mailto:iod@wum.edu.pl).
2. Personal data will be processed in order to implement the recruitment process pursuant to art. 22<sup>1</sup> of the Labor Code, and in the case of providing a broader

scope of data pursuant to art. 6 § 1a GDPR - consent expressed by the candidate.

3. Access to personal data within the University's organizational structure shall only have employees authorized by the Administrator in the necessary scope.
4. Personal data will not be disclosed to other entities, except for entities authorized by law.
5. Personal data will be stored for the period necessary to carry out the recruitment process, up to 12 months from the settlement of the recruitment process. After this period, they will be removed.
6. You have the right to access your data, the right to rectify, delete, limit processing, the right to transfer data, the right to object to the processing, the right to withdraw consent.
7. You have the right to withdraw consent to the processing of your personal data at any time, which will not affect the lawfulness of the processing that was carried out on the basis of consent before its withdrawal.
8. You have the right to lodge a complaint with the Office for Personal Data Protection when it is justified that his personal data are processed by the Administrator in breach of the general regulation on the protection of personal data of April 27, 2016.
9. Providing personal data is voluntary, but necessary to participate in the recruitment process to the extent specified in art. 22<sup>1</sup> § 1 of the Labor Code, voluntary in the remaining scope.
10. Decisions will not be taken in an automated manner and personal data will not be subject to profiling.
